ORACLE

LANSING CENTRAL HIGH SCHOOL
LANSING, MICHIGAN

A. S. S. S. S.

FOREWORD

It is the purpose of the Oracle to record the events of the past year. Therefore, because character education is the latest addition to the subjects taught in Lansing Central High School, we feel that in selecting it for the theme of the 1934 Oracle we represent a full year of successful teaching and the promise of more successful years in the future. We take pride in the fact that our progressive Lansing school system is one of the first to establish formal character education in its schools.

dependability dependability dependability

Who is he that is dependable?
Who is he makes life commendable?
He it is his fellows rules;
Others will be his aiding tools.

Who learns to do his work on time;
Who scorns to make excuse or whine,
Who does the smallest task with care—
And in the hardest, bears his share;

She is the woman, he the man,
Will find the joy that service can
Enkindle in the faithful breast
That knows his friends expect his best.

BUDS, SPUDS, "LADIES AND LUDS"

In every bushel
Is said to be.
One bad potato
Now, Juniors, we
(Ahem)
Who've somewhat longer,
Held down seats
At Central High School,—
We, I say, can see,
Few bad potatoes on,
The Junior tree—
(Or do they grow there?)
But—heed our plea'
In your large mass,
Oh, Junior Class
I here are some who need a sorting

Just cut the bad spots off,
Some quickly mouldering spuds,
And then—Ah, surely then—we'll doff
Our hats, and grandly bow,
(Yes, grandly), to the 'luds,
And ladies" too (yoo-hoo) and cough,
(with deference),
A thank you for trustworthy buds,
Which soon, we see, will decorate the Senior tree

FRIENDSHIP

A friendship like a flower grows,
Amidst the weeds, amidst the foes
Soon a tiny bud appears
Tries to grow through smiles and tears.
And in this bud a heart it shows,
To bloom and blossom like a rose.

Give me a friendship good and true,
A friendship that no axe can hew.
A friendship dear, one sublime,
Friendship ne'er defaced by time,
To have it freshened by the dew,
I give this friendship all to you.

COOPERATION ~ COOPERATION ~ COOPERATION

GREAT AND SMALL

We think of whales and elephants and trees
And also think of birds and bumble bees
As being great things of "our" little sphere.
But tell where whales and elephants and trees,
And then, tell me where birds and bumble bees
Would be but for the smaller things, the mere
Green plants, flowers and little seeds
That slave their day and fit our needs.

JAMES MEYER

ORGANIZATIONS OF CENTRAL

The numerous clubs and societies of Central afford one the opportunity to join those organizations in which he can best express himself.

The Fraxonia, Euripidean, and Parrot Club promote and develop dramatic talent in their members.

The Clogging, Boxing, Athletic Booster, and Varsity Clubs are an outlet for athletic interests.

The Science, Taxidermy, Home Economics, Motor Automobile, Electrical, Nature Study, Aeroplane and Yacht, Printing, and Radio Clubs practice the different forms of applied science.

The Hi Y, Girl Reserves, and Cabin Club emphasize character development.

The Hodierni Romani and the Le Cercle Français make the development of the members' appreciation of the language their main objective.

The Verse Speaking Choir, Art, Tusitala, and Solo Clubs give an opportunity for the expression of applied art.

The M. M. M., Writers, and the Journalism Clubs encourage creative writing.

The Adelphe, Chiosophic, Euphronian, House of Representatives, and the Sub Deb Club are devoted to general culture and development of personality.

PLAY FAIR!

It doesn't really matter if you fail to win the game;
No one will know you lost it forty years from now
And the way to win the game of life is always just the same—
Play fair! (There's none but yourself to teach you how.)

Of course, some people do get by with never being caught.
But how'd you like to think their thoughts when you are all alone—
To think you hadn't lived, perhaps, the sort of life you ought
And had no friend you could respect or deed you'd care to own?

Play fair! Don't cheat yourself of sense of evil overcome!
To win all-weather friends, play fair to everyone.

BOARD IN CONTROL OF ATHLETICS

The Board in Control of Athletics is composed of the Principal, who presides at all Board meetings, the Head Coach of Athletics, the Director of Athletics, the treasurer of the Athletic Association and two boys and one girl, who are selected by the Junior classes. The above mentioned faculty members are on the Board because of their positions.

Some of the more tangible duties of the Athletic Board are to approve schedules that have been arranged for our teams, and to confirm the selection of letter winners made by the coaches. The Board also controls the amount expended on equipment for each sport, and sets the prices of admission to all athletic contests. Another duty of the Board is to maintain coordination in our school athletics and also to develop friendly relations with our competitors.

FOOTBALL SUMMARY

The Big Red football season opened on Labor Day with about 105 boys reporting for practice. In the opening game two weeks later Central defeated St. Johns. During the course of the following three weeks, Central suffered defeats administered by Grand Rapids Central, Jackson, and Saginaw Eastern. Fager for a taste of victory, Central won the next two games from Ann Arbor and Saginaw Arthur Hill only to be edged out the following week by one point by Battle Creek. Central dropped the city championship to Eastern in a very hard fought game which ended 16 to 7 in favor of Eastern.

Can you remember.—The tense moments in the Jackson game when Central was only a few inches from their goal line. Saginaw Eastern's Bob Kolbe? The sea of mud and rain during the Ann Arbor game? Central's receptive parade before the Saginaw Arthur Hill game? Harry Piddington's end run in the Battle Creek game or Harry Speelman's touchdown at Saginaw? Michaelis' disqualified touchdown in the Eastern game? Frank Gaines' sensational

SUMMARY LITTLE REDS

The opening of the Sophomore football season witnessed a turn out of about 50 Sophomores most of whom were too small to be considered useful material. The first line was badly beaten by the promotion of John Gardner and Carlton to the Big Reds. In the opening game the team outgained East Lansing, an undefeated championship team, but were scored on by a 35 yard trick pass in the last minute of play. This was the only time the team was "scored on" all season. In the Vocational game, score 0-0, Central was prevented from scoring only by a penalty of 15 yards for holding, called on the three yard line on the second down. Vocational at no time threatened to score. The Little Reds have never before held Vocational.

In the first city championship with Eastern the team won a hard-earned victory of 7-0. In the Potterville game October 27, a runaway for Central, all the boys, three teams, shared equal playing time, score 51-0.

The second city championship Eastern game was a bitter contest and was played entirely by the first regular Little Red team. In the second quarter the boys pushed Eastern far into her own territory and scored through the line. During the second half Eastern tried recklessly to score through trick pass plays, being unable to picture the stellar line of Thomas, Conarton, Trescott, Easton, G. Carpenter, G. Giannaris, and Mingus. The backs, Cuson, Holly, Leonardson, and Abraham, were severely pushed on pass defense, but came through. This gave the Little Reds undisputed city championship having beaten Eastern twice. It was the spirit of the team that contributed such a successful season.

BIG RED BASKETBALL

1933-34

To Coach J. J. Middlesworth goes the credit of having successfully completed another Big Red basketball season. His proteges were recognized by this season's opponents as clean players and hard fighters.

Central won 8 of its 14 scheduled games, and tied for third place in the Five A League with Jackson. Some of their outstanding victories were the defeats which the Big Reds administered to Pontiac—leader in the Saginaw Valley—and their victory over Ann Arbor. In tournament play, Central handed Grand Rapids South a defeat before losing the Regional Championship to Eastern.

During the first semester, the individual play of Captain "Cid" Andros was outstanding. Harry Olin also contributed much to the success of the first semester's team. In the second semester, Captain "Bill" Curtis was the shining light. He was also assisted by the offensive work of "Bob" Steadman and "Bill" Carpenter, and the defensive work of "Ted" Bryanton and "Bob" Morse. Four of this year's veterans will be in line for play next fall when the season opens.

LITTLE RED BASKETBALL

1933 - 34

SUMMARY

Coach Lantz's Little Reds had a very successful season, winning 11 out of 13 games. Their success was due mainly to cooperative team work and a fighting spirit from the beginning to the end of every game. Undoubtedly there will be some fine material coming up for the Big Reds next season.

Varsity Swimming

SUMMARY

Coach Howard Gleason's swimming team had a very successful season this year, losing only to the strong Battle Creek team and the Michigan State Freshmen. Co-Captains Lynn Kestenholtz and William Bell tied for high point honors followed by Jack Miller, Alan Black and George Calhoun.

CROSS COUNTRY

SUMMARY

The Cross Country team had what could be called a moderately successful season.

Central was defeated at Ann Arbor in a triangular meet with Ann Arbor and Monroe. Monroe took the meet with 36, Ann Arbor second with 37, and Central last with 47. Defeat cannot be explained because Central's men were nosed out of places only by inches. The time was 10:43.

In the State Meet Central took second with 87, Kalamazoo took first with 80. The time for this race was a new state record.

The boys who contributed largely to this successful season were L. Clough, B. Curtiss, R. Langley, H. Barnes, C. Chamberlain, and G. Balasses.

TRACK—1933

The state track meet held at Michigan State College brought the 1933 track season to a close. Central qualified six men in this meet: Gordon Hicks, pole vault; Ronald Garlock, 100 and 220 yard dashes; Frank Gaines, shot put; Adam Gunn, mile; Lee Barnett, 440 yard dash; and James Harryman, high hurdles.

Taking four first places out of a possible eleven, Central took third in the Five A League Meet held at Ferry Field, Ann Arbor. Ronald Garlock placed first in the 100 yard and 220 yard dashes. Gordon Hicks took first in the pole vault, and Adam Gunn finished first in the mile run. In the dual meets, Central had a fairly successful season, losing a meet to Eastern and defeating Battle Creek by a wide margin.

Coaches John Middlesworth and Howard Gleason are to be complimented on their successful coaching and the successful teams which they have turned out.

ONE LOOK *makes you want it . . .*
ONE RIDE *proves you're right!*

Quite aside from its modest price, there is something downright irresistible about this new Oldsmobile . . . the pleasing beauty of its air-stream lines . . . the smooth gliding ride with Knee-Action Wheels . . . the safe, touch-of-toe stopping with Super-Hydraulic Brakes . . . luxurious roominess of Body by Fisher . . . the nice "feel" of this superb car in your hands. Drive it and you'll know exactly what we mean when we say, "One look makes you want it —one ride proves you're right!"

Where to, -- Now?

FIRST—we offer our congratulations to you who are graduating.

But—where to, now?

Times like the present are rare. You are graduating into a changing world—one which holds a promise of success to him who is willing to observe and learn from the ever moving panorama of daily events.

Whether you enter now into a school of education or the school of experience, keep in mind this thought—there is a place for new ideas and new methods.

Wherever you go—do your part in helping to make the world a better place in which to live. The rewards are great.

are the only ones where opportunities are not dependent upon a ratio to population.

Fewer persons have prepared for commercial occupations during the last three years. This means there is an actual shortage of well trained men and women.

The swing is now decidedly toward the more reliable business schools.

Lansing Business University . . . is one of the oldest institutions in Lansing, now in its 64th continuous year.

It caters to those who prefer college-level instruction—the discriminating students. Only teachers with standard college degrees plus business experience are employed. The exclusive Lansing home of Walton Accounting and Stenotypy.

LANSING BUSINESS UNIVERSITY

Approved by the Michigan Department of Public Instruction and the National Association of Accredited Commercial Schools. Now attended by children and grandchildren of former students. Free employment service.

Ask for free catalog. It tells you plainly what you have a right to expect of L. B. U.

IT HAS BEEN SAID

Behind the glamour and mystery of great fortunes is the impressive lesson of small saving. These fortunes did not grow like Jack's bean-stalk, nor was there any magic about them. They represent systematic upbuilding founded on saving. This is all the secret there is about getting a competency or starting on the road to a fortune.

Study our plans of systematic thrift and home ownership.

Self-Shifter—bumpers, spare tire and lock, metal spring
 covers, included at slight extra cost.

THE car without a gearshift lever is presented today by Reo
 in an entirely new design—a design in which we confidently
 believe you will recognize the smartest combination of advanced
 style and good taste yet offered to the motoring public.

The new Reo Flying Cloud for 1934!

A car of flashing performance and superb construction! A car
 that literally changes driving to piloting. There is virtually nothing
 to do but steer. The "take-off" is like that of an airplane—a
 swift, smooth, uninterrupted surge of power!

Try it yourself—and see!

QUALITY in a Reo may be taken for granted. But the SELF
 SHIFTER is such a revolutionary advance, so startling in its effect
 on car operation, that it can be understood and appreciated only
 after a drive. We urge that you do this—call your Reo dealer
 today and experience the thrill of a trip in the most advanced
 car of all—the car without a gearshift lever

It will make you wonder how long any car of the hand-shift type
 can continue in public favor—make you realize that it is a 
 GOOD INVESTMENT for more reasons than one—to buy a Reo!
